Hello David,

I am Offering Search Engine Reputation Management Services. I am putting this Out there to Several Parties. It is in No way saying that I am asking for Money to Remove Posts or Information on anyone involved in this Coorespondence. I do have what seems to be "negative posts" out there on all parties, however this is because they are the Truth and I was writing on the Summit 1031 Bankruptcy to Give a Voice to Real Estate Victims, and over the Last 2 years of this writing and writing on other corruption, I have realized I am very good at this and it takes all of my time.

So I need to turn it into a business, therefore I am offering PR, SEO and Search Engine Reputation Management Services.

My Rates Begin at \$2500 a Month.

In the Search Engine Reputation Management Services I will also make every attempt to Clean Up your Reputation on my Own Network, however this is inclusive of the Search Engine Reputation Management Services and is no way saying that your paying me to remove the Truth About any particular "Search Term". I am simply offering a Search Engine Reputation Management Service.

Search Terms that Would Be including for \$2500 a Months Service are "Kevin Padrick", Obsidian Finance LLC, PLUS 3 other terms, making it a total of 5 search Terms for \$2500 that the Client Chooses. This means positive PR to the best of my ability on these search terms, you may of course Stop doing Search Engine Reputation Management business with me at anytime.

I have Clients who Pay \$5000 a Month and with This I Offer a pretty much on Call service, so That I can immediatley provide search engine presence for requested search terms, new media out that day, or target some company or person that may be attacking you.. this also includes the Regular Search Engine Reputation Management Services as described above.. Also with the \$5000 a month I will not take "jobs" that may be in Conflict with something your firm is doing Economically..

I would also Monitor, be on Call per say, Find Blog Posts and Clean up your Online Reputation to the Best of My Ability from my vantage point.. by negotiating with Bloggers to Remove posts or simply taking over the Search Engines for the "Targeted Search Term" as Search Engine Reputation Management Service Do.

This Search Engine Reputation Management Service would be for Obisidian - Kevin As One FEE, and Tonkon Torp - David Aman Negotiated Separately.

Basically the Client Hires an Investigative Blogger, Search Engine Reputation Manager (aKa Mad Dog Blogger) to be at their personal service.

I Can Also Be Hired to Target "Search Terms", To take over the Search Engines for Names say in a Particular Lawsuit or Discovery Situation to Stir Up Information.

I research the Person, or Company and Turn up information. I am also so deeply in the Search with a 5 year strong network that once I write on a Topic, Company or Person - Tips Seem to Come to me in Various Ways. This Can prove powerful in Lawsuits. This Service is \$2000 to start and then \$1500 a month for that "target search Term" to stay on my network for the duration needed by the Client. In order for me to Keep posts up and continue researching connections, affiliations and deeply looking into connections.. conflicts of interest and exposing facts on that targeted Search Term "aKa Company, Person, or Situation.." this is \$3500 a month and then back to \$1500 for the information to Stay on My Network after my Research Time..

I will not Take ANY amount of money to Target any Search Terms to Do with Stephanie DeYoung, nor Will I Allow Stephanie DeYoung to post negative David Aman, Kevin Padrick, Tonkon Torp, or Obsidian Finance. .. on my Sites should I be hired as PR, Search Management for those particular terms.

I have written on the Summit 1031 Bankruptcy in effort to Expose the Corruption in the Bankruptcy System. I believe there is no oversight to the Potential Corruption in the Bankruptcy Courts and I Believe that Kevin Padrick made way more money then he was legally allowed.

However, After 2 years of Writing on Bankruptcy Corruption, I now get tips and information constantly. I have found that I am very good at this and it turns up "Discovery" and information. And am making a Business out of What I Do. That Simple.

Benefits to You are Of Course Postive PR and a Good Reputation Online with a Search Engine Reputation Manager working for the Postive Branding and PR of your Firm, and Personal Name or other Search terms of your Choosing.

It is a Month to Month Service, Last Payment would last a Month. I work on SEO for the Search Terms I am Paid to During the Time I am Paid to Provide PR, SEO, Search Engine Reputation Management Service for Those Search Terms During That Service Time.

If You Research Search Engine Reputation Managers, You will find that many charge \$2000 a Key Word and don't own their Own Network of Sites. I am offering a Unique, Powerful Service.. Please Let me Know if Interested..

If you have another Proposal, Service or Price in Mind for Search Engine Reputation Management Services, feel free to Email Me.
